FOR THE UNITED STATES
JUDICIAL PANEL ON
MULTIDISTRICT LITIGATIONIN RE: VTRAN MEDIA TECHNOLOGIES,
LLC, PATENT LITIGATION

TRANSFER ORDER

Before the entire Panel: Sixteen of 22 defendants¹ in various actions have moved, pursuant to 28 U.S.C. § 1407, for coordinated or consolidated pretrial proceedings of this litigation in the Northern District of Ohio or, alternatively, the Eastern District of Pennsylvania. Common plaintiff VTran Media Technologies, LLC, agrees that centralization is appropriate, but suggests the Eastern District of Texas or, alternatively, the Northern District of Ohio as transferee district.

This litigation currently consists of ten actions pending in nine districts; two actions in the Eastern District of Texas; and one action each in the Northern District of Alabama, the Northern District of Georgia, the Northern District of New York, the Southern District of New York, the District of North Dakota, the Northern District of Ohio, the Eastern District of Pennsylvania, and the Middle District of Pennsylvania.²

On the basis of the papers filed and hearing session held, we find that these actions involve common questions of fact, and that centralization under Section 1407 in the Eastern District of Pennsylvania will serve the convenience of the parties and witnesses and promote the just and efficient conduct of this litigation. All ten actions involve common factual allegations concerning the validity of U.S. Patent No. 4,890,320 and its continuation 4,995,078, which purportedly relate to video-on-demand products and services. Centralization under Section 1407 will eliminate duplicative discovery, prevent inconsistent pretrial rulings (particularly on claim construction issues), and conserve the resources of the parties, their counsel and the judiciary.

² The Panel has been notified that five other related actions have been filed, one action each in the Southern District of Florida, the District of Kansas, the District of Maryland, the District of Puerto Rico, and the Western District of Washington. These actions will be treated as potential tag-along actions. See Rules 7.4 and 7.5, R.P.J.P.M.L., 199 F.R.D. 425, 435-36 (2001).

-2-

We are persuaded that the Eastern District of Pennsylvania is an appropriate transferee forum for this litigation. This district is conveniently located inasmuch as many defendants and anticipated witnesses are based in the eastern United States. In addition, Judge Bruce W. Kauffman has the time and experience to prudently steer this litigation.

IT IS THEREFORE ORDERED that, pursuant to 28 U.S.C. § 1407, the actions listed on Schedule A and pending outside the Eastern District of Pennsylvania are transferred to the Eastern District of Pennsylvania and, with the consent of that court, assigned to the Honorable Bruce W. Kauffman for coordinated or consolidated pretrial proceedings with the action pending there and listed on Schedule A.
